CERTIFIED TEST REPORT

Serial Number 4468995

CERTIFICATION

**Caiser Aluminum, Trentwood Works, is ISO 9001, AS9100, and ISO 14001 cartified, and hereby cartifies that all material shipped under this order:

**has been inspected, tested, and found to be in conformance with the requirements of the specifications indicated herein.

All test equipment and measuring devices are calibrated and cartified in accordance applicable specifications. For material hicknesses outside specification limits, mechanical properties are as shown herein and chemical composition meets specification requirements. Reported elongation values have been measured as elongation at fracture.

**was melted in the United States of America or a qualifying country per DFARS 225.872-1(a), was manufactured in the United States of America, and meets domestic content.

**has been thermally processed in compliance with AMS 2772, where applicable.

**is in encury free, within the limits of detection of ASTM E1215 [< 1ppm].

**is in compliance with RoHS 2, European Union Directive 2011/85/EU.

**is in compliance with RoHS 2, European Union Directive 2011/85/EU.

**is free of Onflict Minerals, as defined in Section 15.2 of the Dodd-Frank Act.

**is free of weld repair.

**meets the reporting requirements of EN10204, Type 3.1.

Any warranty is limited to that shown on Kaiser Aluminum's standard general terms and conditions of sale, Test reports are on file, subject to examination. Test reports ahalf not be reproduced except in full, without the written approval of the Kaiser Aluminum laboratory. The recording of false, fictitious or fraudulent statements or entries on the certificate may be punished as a felony under federal law.

MOTE - Notes

The material was produced by EF + A.O.D.

No Weld Repair - Free of Marcury contamination

Micro and Macro structure : Satisfactory ROHS Compliant

100% crack tested by eddy current method: OK

Heat treatment: annealed temperature 1950°F

Soaking time: 4 Hours, Cooling in water

Grain size by Test Mathod Z 112 = 5,5

Surface quality condition 2H conforming also to EN 10277 class 2

We certify hereby, that the above mentioned products are consistent with the order prescriptions.

This certificate was generated by data system acc. to EN 10204, it is not necessary to be signed for validity.
